

Dragonfur® *Wind Resist*™

Just like your favorite fleece jacket - only better. DragonFur® provides, breathable, wind-resistant, water-repellent warmth that's fire & arc resistant. The permanent protection of Nomex® won't melt or drip and - best of all - it won't wash out. DragonFur® is now 60% more wind resistant with greater flame and arc resistance too. With the warmth of fleece and the protection of 100% Nomex® IIIA, now there's a way to stay warm AND safe - DragonFur®.
