

DragonWear

AR & FR WORK WEAR

PART NO. 189431-XXXX

HIGH LINE™ PANT

Introducing DragonWear's first-ever FR woven pant for utility and industrial safety workers. Designed with a modern fit that provides optimal performance, comfort for easy movement, and a style that translates on and off the job.

FEATURES

- Fire and arc-resistant
- Straight-leg style and comfort fit design for easy mobility
- Deep slash-style front pockets for easy access
- Right cargo pocket has a hook and loop closure flap, and the left has two pockets; one is a worker's angled pocket that can perfectly fit a cell phone
- Self-locking metal zipper and heavy-duty closure button
- Seven durable belt loops
- Heavy-duty bar tacks at stress points for rugged wear
- Jean-style back yoke for improved fit
- Large back pockets
- Flat-felled seams for durability
- Embroidered DragonWear logo on left cargo pocket and CAT 2 label on the back right pocket
- Materials: DragonWear Woven FR fabric
