AR & FR WORK WEAR

PART NO. 343710-749X

THE DAILY SOCK NEW MERINO WORKWEIGHT

THE DAILY SOCK Merino Workweight is designed to be the everyday sock workers reach for by building comfort and support directly into the design. Not too light or too heavy, it's just the right weight for any job.

FEATURES

- U.S. grown Merino Wool Blend keeps you cool in the summer and warm in the winter
- Traditional sock height provides mild compression support with elastic stay-up
- High-density cushioning targets lace guard and strike point areas
- Moisture wicking keeps feet dry and comfortable in work boots
- Air flow channels provide consistent ventilation
- Advanced knitting techniques reduces bulk and eliminates blister-generating friction
- Nylon reinforced heel and toe
- Soft, itch-free, and naturally odor and bacteria-resistant
- Sock is non-FR

SIZE: MD, LG, XL | COLOR: ■ Black
