

THE DAILY SOCK MERINO WORKWEIGHT

Built for long days in work boots, THE DAILY SOCK Merino Workweight delivers the balanced cushioning, moisture management, and supportive comfort workers need shift after shift. Not too light and not too heavy, it's just the right weight for all-season work.

FEATURES

- U.S. grown merino wool blend helps regulate temperature
- Soft, itch-free knit construction reduces friction and naturally resists odor and bacteria
- Air flow channels and moisture wicking properties keep feet comfortable and dry in work boots
- Traditional work sock height with elastic stay up for a secure fit and light compression support
- High density cushioning improves comfort at lace guard and strike point areas
- Nylon reinforced heel and toe increase durability in high wear areas
- Durable wash and wear construction stands up to repeated use
- Manufactured without intentionally added PFAS chemistry
- The Daily Sock is not certified to FR/ARC standards (Merino wool is inherently flame-resistant)

Part Number: 3437XX-749X | Colors: Black, Gray, Khaki | Sizes: MD, LG, XL
